Nic, Matt, TCEQ is requesting a data update to the WasteWater questions – can you officially task us to complete?

Thanks

Kris Fuller

Subject: M6H1 – Harvey Response - Revised RM WW Eval Question #15 Change Request

Nancy,

This change can be done relatively quickly, but my boss informs me that since the EPA owns Response Manager, we need the EPA to concur on this change request task.

Please give Kris a call if you need further clarification.

Thanks,

Kenneth

Subject: FW: Revised WW Eval Question #15

Sent it wrong – Sorry – Any chance we can have this done asap for 9/1?

Thanks – I just noticed that this did not go through.

Subject: Revised WW Eval Question #15

Importance: High

Kenneth,

As discussed attached is the revised form to update in the Response Manager WW Assessment Eval.
- Main change is Question #15. Please confirm receipt of email and let me know when it has been revised. Staff will be entering information by 1 PM.

Letty,

Would you please distribute new form amongst your group.

Thank you

Nancy Vignali
